NOTE.—The three preceding insurance tables are necessarily incomplete, as they contain mention only of companies that have perfected filing of papers at this date, viz., March 1, 1888. Several important companies that are regularly established in business in Montana have not completed filing of papers for the current year, as the law allows until March 31 for completion of such filing.

ERRATA.

On page 76, fifth heading of table "Liabilities," read 1886 instead of 1887.

Under third heading "Paid Up Capital," opposite Commercial, San Francisco, read \$200,000 instead of \$500,000.

Under second heading "Location," opposite Mutual Benefit Life, read Newark, New Jersey, instead of Newark, New York.

Under first heading, "Names of Companies," read Pacific Mutual Life instead of Pacific National Life.

On page 79, under second heading, "Names," opposite Superintendent of Public Instruction, read A. C. Logan instead of N. C. Logan.

ANNUAL REPORT

OF THE

AUDITOR AND TREASURER

OF THE

Territory of Montana,

FOR THE FISCAL YEAR

1887.

HELENA, M. T.

TERRITORY OF MONTANA, }
AUDITOR'S OFFICE, }
Helena, January 1st, 1888. }

TO HIS EXCELLENCY, P. H. LESLIE, GOVERNOR OF MONTANA:

SIR:—I have the honor to submit herewith the following statements as the annual report of this office for the Fiscal year ending December 31, 1887. As you are well aware owing to the legislation of the 15th session in passing what was termed the "Bounty Law," a law which were it not for your prompt action would, if permitted to continue, have bankrupted the Territory, the labors of this office were increased fourfold, as the records will show that from March 8, 1879 to January 1, 1887, there were issued on the general fund, 4,420 warrants, while from January 1st to December 31st, 1887, there were issued 3,450 warrants or over 80 per cent. as many as were issued for the previous eight years. Yet the same Legislature in its wise judgment reduced the compensation of the Auditor in proportion as it increased his labors by depriving him of certain insurance fees which prior to that time the office had received. I found myself, therefore, in a position where I must employ assistance and pay therefor from my own salary, and by so doing, the work of the office is "up to date."—(trusting to the liberality and justice of future legislation to make amends in this respect.) Many matters have suggested themselves to me during my short experience which had I the time I would gladly submit for your consideration and trust to be able to do so when another report is presented. It is very gratifying to note that notwithstanding the inroads made upon the Treasury by the Bounty Law the financial condition of the Territory is all that could be desired, there being no indebtedness of any kind or character except warrants outstanding, which have been called for payment and not yet presented, amounting to \$2,503.55, and there is a balance in the Treasury in cash amounting to \$36,026.87. Expressing my warmest appreciation for the uniformly kind consideration which has been manifested by you towards this office in all our relations, I remain,

Yours respectfully,

JAS. SULLIVAN,
Territorial Auditor.
